Submission: Objection

Comments: Regarding my email of objection dated 19th August 2021, I still OBJECT to this housing development.

The proposed entrance is at the narrowest part of this country lane. Cars have to mount the pavement in order to pass which is a safety hazard to pedestrians. At this point on the lane, residents have to park on the road as they do not have driveways. The road is not wide enough to have HGVs bringing materials and turning in to the site.

The junction with Tenford Lane and the A522 is dangerous enough now without the addition of possibly 80 more cars.

Tenford Lane floods and I cannot see in any of the amendments that this has been addressed.

I do not feel that SMDC have listened to the local residents, tax payers, or have answered any of our questions.

Regards

Mrs Marr
