Comments: Breach Lane is a very dangerous Lane. The speed of the the traffic especially at the top where the road is flat and straight, has to be seen to be believed. We people who live there do not use this road because of the speed and volume of traffic. The last thing we need is more traffic wizzing past our drives as they are blind with no foot paths to allow a better view of the road. This area has been destroyed with more and more estates being built, and the village infrastructure will not sustain yet more housing.
