Comments: Dear SMDC Planning Committee

Draycott in the Moors Parish Council met on 28th February 2022 to consider this application at Bird Grove Farm, and would like to make the following comments:

The Council would like the environmental impact of this business activity to be thoroughly investigated to make sure it is sustainable and that the sources of wood are not to be taken from ancient woodland and only from sustainable sources. Please consider the pollution to the air from woodsmoke and the disposal of any waste products.

The Council also would like the impact to the Highway network by delivery and dispatch vehicles and the entry and egress to property be checked.

Yours sincerely

Denise Wheat

Parish Clerk

Draycott-in-the-Moors Parish Council
