Submission: Objection

Comments: We've to live in the village of Werrington to get away from the estate areas of abbey Hulton and bucknall and this planning on previous "Green belt" which has miraculously been changed will allow homes to be build to house people that can not afford to live in Werrington via mortgage. I hope the council will reimburse me the value my house will decrease when Werrington "village" turns to shit when people who do not respect the area move into all these new houses. Great moral boost for the community don't you think? Seems pointless to spend years getting a degree and a good job to be able to afford to live in the lovely village of Werrington
