Submission: Objection

Comments: Would cause unnecessary congestion on the main gateway in to Leek which already suffers from queuing traffic at peak times. The site is too small for any type of Drive Thru premises which will only cause traffic to queue on the main carriageway. Also concerned about the increase in litter generally created by these types of establishments.

Whilst not opposed to the principle of a drive through restaurant in Leek, the Sainsbury's development would surely be a more suitable location taking traffic off the main road.
