Regarding the application for a solar farm, there will be four p.r.o.w paths that will be affected.

Draycott in the Moor 15 and 14 will be inside the perimeter where installation will take place.

Checkley 7 and 5 will also be affected if development takes place which will be inside the
perimeter where the battery storage facility will be.

These footpaths must be respected and remain accessible at all times throughout development.

Thank you Alan Bell Area footpath secretary for Staffs Moorlands (ramblers)
