Comments: 1. Community was not involved in this application, not consulted (Annesco excuse - due to Covid) no way.Bad timing.

2. Planning permission will run the risk of pollution into River Trent& Cauldon Canal

etc. CRT has not been involved.

3.the planned site is too close to residential community.

4.this is Green Belt land.

5.we are nit guinea pigs. There have been 38 devastating fires and explosions around the world. Again, I say this proposed site is TOO CLOSE to residential areas.
