5th April 2022

Planning Department SMDC

At a recent meeting held on the 4th April 2022, members of Leek Town Council's Planning Committee recommended the following for approval:

SMDC22/0083/84	Not unneighbourly – It was requested that any bat roostings should not be removed.
DET22/0018	Approve
SMDC22/0123	Approve
SMDC22/0114	Approve
SMDC22/0116	Not unneighbourly – concerns regarding an increase in traffic
SMDC22/0080	Not unneighbourly – Consider colour coding the louvres, as opposed to using bright metal aluminum in the Conservation Area.
SMDC22/0158	Not unneighbourly

Application recommended for refusal:

SMDC22/0051	Extremely concerned regarding an increase of traffic and congestion on Mill Street. It would be too close to a residential area and would cause noise and light pollution for the residents.

Other comments made:

DOC22/0014	Evidence is needed regarding the discharge of the Conditions. Concerns raised again about the lack of planning notices for this application.

Yours faithfully,
