Strongly object to this BESS.

This is a green belt area.

This is a country lane with already diabolical road surface .

No pavements so the increase in heavy traffic will be dangerous for residents .

This road is already a restricted weight limit road.

Disruption to wild life habitat.

Many properties on this road are without driveways and park on the narrow road.

Disturbance to residents for at least 8 months construction.

A residential development of 4 luxury homes was rejected only a few years ago.
