Comments: I wish to object to this planning application. The location has already become unsafe with the number of vehicles coming to and fro from the existing take away and I'm amazed that we haven't had a serious road traffic collision. I feel that if this proposal is allowed to go ahead this will increase the number of cars pulling in and out onto the brow of a dangerous section of the road. During the school rush hour the area is flooded with kids walking to school which creates further obstructions to a safe view whilst pulling out of the location. Furthermore I feel that we already have plenty enough supermarkets in the location and another one is simply not needed.
