Submission: Objection

Comments: I strongly object to this application, we already have a Co-op, a newsagent, and a supermarket (shopezzy) within the village, we do not require any more shops. The parking on the site has always been a problem and I do not see how it can accommodate 4 vehicles. The bus stop is right outside and going to cause problems getting on and off the proposed car park , and this is on a brow of the hill, and a 40 MPH road. The children walk past twice a day and this is going to be an accident waiting to happen. there is no turning circle within the frontage, if all spaces are full are vehicles going to be reversing on to the main road !

Also the residents of Draw Well Lane do not want a refrigerated unit running 24 hours a day, in close proximity of our gardens. this is noise pollution.
