Please find below the Parish Councils comments on the above application

SMD/2022/0111 Relocation of vehicular access to Greenfields, Station road, Endon.

The junction between the A53 and Station Road is particularly busy and the visibility in both directions onto the A 53 is not good. For this reason we object to a new entrance onto Station Road so close to the junction and would recommend that the Applicant either leaves the access in its present position or re-locates it right at the Southern end of their site onto Station Road.

Regards

Dennis Boulton, Clerk, Endon with Stanley Parish Council
