Details of the pre-application advice received

Senior planning officer provided the following advice verbally and confirmed by email:

Further to our earlier I had a look at the Decision notice for the dwelling which I attach for your information. You will see that Condition 4 removed permitted development rights for a number of classes including Class E so the green house would definitely require planning permission.

I also attach one of the approved plans showing the curtilage in red – it's a little faint but seems to show that the greenhouse would be within the curtilage but you can check that too.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.
