Submission: Objection
Comments: Although the address for this application is within the Parish of Werrington, the field upon which the proposed development is to take place is owned separately from the farm and sits within Bagnall Parish.

At our last meeting, several residents attended to voice their objections and the Parish Council cannot provide any counter argument and is in fact in agreement with the points put forward, which are:

¿ The parking space referred to is not hard-standing, but a small fenced off piece of ground and Bagnall Parish Council feel that this should be subject to a separate planning application.

¿ There is mention of a septic tank, but Bagnall Parish Council can find no evidence of a planning application for its installation. There is, to the best of our knowledge, no ready water supply which such a system would require.

¿ The fenced off exercise field is adjacent to agricultural land upon which livestock is kept, which would be disturbed by the close proximity of dogs.

Bagnall Parish Council OBJECTS to this application and would ask that it goes before full Planning Committee before any decision is made.
