Comments: Having recently moved into our property on Tenford Lane, we have seen immediately how dangerous Tenford Lane can be with traffic. The width of the lane is so narrow in parts, two vehicles cannot pass together. Vehicles regularly mount the curb and drive on the pavement outside of our property. Increasing the amount of traffic on this lane will, without a doubt, cause severe problems with potential for injury or loss of life. Traffic and speeding issues are observed on a daily basis on both Tenford Lane and the junction with Cheadle Road and Breach Lane. I think we should be concentrating on calming the traffic in these areas rather than increasing it.
