Submission: Objection

Comments: I object to this proposal, this is a beautiful area of Greenbelt, which by the sounds of things is going to be turned into Battery Storage and Solar Farms across many acres. We had a leaflet sent to us from BayWare r.e. regarding Rownall Farm Solar Development as well which will be within view of our property. We moved here for the beauty and tranquil area and as such this will be ruined with all these proposed developments !! We run a Glamping Site which we advertise as Calm and peaceful but if these plans go ahead that will certainly not be the case with extra traffic and noise, and the views will be ruined both for our guests and ourselves. I am sure these developments will also affect house prices in the area as well !!
