We are writing to object this planning application. We feel the town is already congested at the best of times, let alone with over 200 more homes being built on top of current homes being built in the town. Yes its frustrating sitting in a queue, but everyday for up to 15 minutes at a time is crazy. Majority of people now own 2 cars so we can't imagine how much longer it will take to just get through town.

Also there are not enough doctors, dentists already to meet the current demand, where are the people who live on this development suppose to go?!

It will be such a shame to loose more of the open countryside and the wildlife it brings into the gardens.
