Good Evening

Re: SMD/2022/0183 – 18 Riverside, Churnet View Road, Oakamoor.

Proposed Development: Proposed single storey rear and side extension, dormer loft conversion and replacement garden room.

Conclusion

OPC support the above application, but feel that the colour of the window frames would be more appropriate in woodgrain, which would be visually in-keeping within the conservation area.

Kind regards

Carmen Giuliano-Worthington
Parish Clerk/RFO
