Comments: Dear Sir / Madam

I object to the proposed planning application to remodel Whiston Hall Golf course using 150,000 tons of landfill material over a 24 month period on the basis of:

1. The impact of the number of HGVs accessing the site will have on the local roads and vulnerable road users e.g. cyclists
2. The impact on villagers of the noise from the HGVs and heavy plant machinery required to move 150,000 tons of landfill material over a 24 month period
3. The potential dumping of hazardous materials - the applicant does not make it clear how they will ensure this does not occur
