Dear Mr. Ben Haywood,

I feel I must voice my concerns. There are issues that must be addressed. This is concerning the building work at 92, Uttoxeter Road in Draycott

My father lives at no. 94 adjoining the said property. He is 95 years old and vulnerable. I am his daughter and I am worried that the approval of the building work is very dubious and even unsafe.

I live nearby and walk a lot and visit my father several times a day.
