There was no sign visible at any time. We have not seen a sign relating to this. This means that one was not put up or it was removed straight away.

We have not been informed and have seen no letter and plans. Letter sent out have the wrong number on them in your reports.

When they applied for permission we should have been approached and shown the detailed plans. We were not. Someone has taken great pains to keep this from us.

We have had no chance to put in a representation and believe this is unfair.

We were not informed until Wednesday 11th May 2022. We were told at the eleventh hour and told we could see the plans. When we called they refused to show them to us. They have been uncooperative, evasive and hostile.

They said at first we could see
