Comments: The original planning did not mention the public walk way through Sandon close not only have I lived hear for 35 years with views of the trees and fields that is going to be blocked by houses you want to put an access for pedestrians to cut through our close kids on bikes and assorted of going on it has been very peaceful hear and now you want to make it very uncomfortable just to make you a lot of money with no consideration for the community very disappointed in Staffordshire Moorlands Council this was a set up all along with Council members possibly taking bribes
