Submission: Objection

Comments: There is a proposal to make a public footpath directly opposite my house from the new estate to Sandon close. This is at the end of the cul de sac. I feel that this would encourage parking in the close and make it difficult to access my own driveway as it is essential to manoeuvre in the area to park my van and car. It is a quiet cul de sac and there is no necessity to encourage more pedestrian or vehicle traffic to this area as it does not make access to any amenities any better for the residents of the new estate. I would appreciate it if this were to be removed from the plans.
