Submission: Objection

Comments: I have lived in rookery crescent 70 plus years

my property overlooks the fields which the houses

Are being built on

The amount of wildlife we have is amazing bullfinches green finches

Alot off amazing wildlife which are becoming very rare to see

I believe this planning will have a dramatic effect on

The wildlife which is so unfair and the noise and air pollution through construction

Will effect me and more than anything the wildlife

Regards Mrs Barbara harvey
