To Whom it May Concern,

Planning Application for a Residential Development at Blythe Business Park (Land at), Cresswell (SMD/2022/0268)

In response to the above planning application the School Organisation Team has the following comments:

This development falls within the catchments of The William Amory Primary School and Blythe Bridge High School and Sixth Form

The relevant Outline Application for this site is SMD/2014/0576

This REM application details a development which is scheduled to provide 60 dwellings of the expected total 168 dwellings from the original outline approval.

A Section 106 Agreement was signed when the Outline Application was granted, and the education contribution amount and terms should be calculated in line with this.

Kind regards,

School Organisation Team
