Comments: Thank you for the opportunity to comment on this Application.

We note that the PROWs Cheddleton 1R & 22 are very close to or within the proposed site.

Whilst the application recognises the PROWs, we could not find any indication that the PROWs might be affected.

Use of the PROWs, and the safety of users must not be affected by the development, nor during the work taking place.

This comment is made on behalf of Peak and Northern Footpaths Society, a registered charity which exists to protect and improve public rights of way for use by walkers.

Nothing in this response should be taken to imply the Society's support for the development.
