Comments: Submission: Objection.

Comments: I OBJECT TO SMD/2021/0610.

Cheadle Town just cannot COPE with up to another 228 houses, NOT even the 600+ that are been built now.

Tried ringing the doctors for over 2 weeks, only to be on hold for around 45 - 50 minutes & on one occasion for an HOUR & A HALF!! Only to be told "sorry were fully booked please try again tomorrow" everytime, I gave up & ended up going the pharmacy instead. Most people in Cheadle can't even get a appointment to see a doctor..

So where are all these new people going to go to see a doctor or a dentist, when the current residents of Cheadle can't even see one??.

Also you don't see or hear of any plans to build new a doctors anywhere in Cheadle anytime soon or in the near future.....

So where are the kids going to go school, as all the local schools are FULL?? Also they don't seem to be in any rush to build the one they promised on Pottery Gardens. (if built 2027 at the earliest..... it's going to hold upto 210 pupils, so once you take all the new residents into account we'll be back to square one, then there's the traffic it will create, Froghall road will be gridlocked both ways twice a day 5 days a week!!.)

Then there's the roads there gridlocked every day, Cheadle's roads just cannot take anymore traffic, air, noise & smell pollution will get even worse, it's bad enough now especially on Butlers Hill, Tape Street, Queens Street, High Street ect

(its not fair on pedestrians), public health & safety is not been taken seriously (it's like houses are more important), then there's the shops, well there's hardly any!., also most people i know sooner travel out to Tesco at Mier park, Uttoxeter or the Potteries to do there shop, jobs, same, you have to travel out the area, the town has just become a dormitory, more risks of flooding, loss of privacy to people's homes, loss of yet more (perfect) farmland, we've already loss 4 fields to housing development just down the road, we're supposed to be saving the environment not destroying it by ripping it up for yet more houses, the list goes on & on.....

Now Bloor Homes want a roundabout just to get access, & just to get what they want (with no respect for Cheadle or it's resident's what's so ever) it will be nothing but a death trap, an accident waiting to happen, it will also increase noise & air pollution for the area, it needs stopping now!!, Also the planned houses are too close to the current residents properties on Froghall Road & Hammersley Hayes Road revealing major privacy issues, having upto 4 families looking into are living rooms with countless more from upstairs this needs stopping it's absolutely disgusting!!.

There just hell bent on passing houses in this town just to pocket some extra money & nothing else seems to get a chance, it needs to be stopped & they need to make the town's infrastructure & facilities the top priority not yet more housing!!

Town just cannot cope with the current population, never mind 1,000's more!!

Cheadle Town just cannot support anymore houses, not even the 600+ there building now!!

They need to STOP building in Cheadle & go build somewhere else that CAN support more housing because CHEADLE CLEARLY CANNOT!!..

PLEASE JUST STOP & LISTEN TO THE PEOPLE WHO ACTUALLY LIVE HERE FOR ONCE!!!!!!.

Mrs O Simms, Froghall Road, Cheadle, North East.
