Submission: Objection

Comments: This application was considered at a meeting of the parish council on 28th June 2002. The council object to the application on the grounds of:

- 1). Additional vehicular access/on-road parking on a nasty and dangerous bend.
- 2). Is there a need for additional property in Cauldon Lowe?
- 3). Concerns over light deprivation to properties in the vicinity.
- 4). A new issue has come to light - it has been reported that an adjacent property has a legal right-of-way to the rear of the property. This right-of-way lies over the proposed development site. Surely, this must be clarified as a matter of urgency before any proposal can be considered.
