Good Afternoon,

I refer to your letter consulting us on the above planning application. Based on the information submitted this appears to be a lower risk planning consultation which does not require direct consultation with us; it does not fall within our 'consultation filter'.

INFORMATIVES

- * For our flood risk comments please refer to our Area Flood Risk Standing Advice.
- * For contaminated land matters, you are advised to seek the comments of your Environmental Health Officer or Contaminated Land Officer, with reference to our 'Development Guidance' sheet.
- * For Pollution Prevention and any consent requirements (separate to planning) you are advised to refer to our 'Development Guidance' sheet which includes pollution prevention advice relating to specific activities.

I trust that the above confirms our position.

Kind regards
Emma
