Hello Lisa,

Thank you for the application (SMD/2022/0179) detailed above.

It is noted the application for a vehicle access crossing (VAC) on Dryden Way, an unclassified road (Road No. D1150). Therefore, the applicant will need to apply for a Section 184 from our Network Management Unit.

I've provided below the standard informative with the email address/link on how to apply for the VAC.

The works will require the relevant permit from our Network Management Section. The dropped crossing to the site shall be constructed in accordance with SCC requirements. Please note that prior to the access being constructed you require Section 184 Notice of Approval from Staffordshire County Council. The link below provides a link to 'vehicle dropped crossings' which includes a 'vehicle dropped crossing information pack' and an application form for a dropped crossing. Please complete and send to the address indicated on the application form, which is Staffordshire County Council at Network Management Unit, Staffordshire Place 1, Wedgwood Building, Tipping Street, STAFFORD, Staffordshire, ST16 2DH. (or email to nmu@staffordshire.gov.uk)
<http://www.staffordshire.gov.uk/transport/staffshighways/licences/>

I trust this is of help to you, however, please do not hesitate to contact me if I can be of further assistance.

Kind regards.
Good afternoon, Lisa

I hope you are ok and keeping well.

Re the consultation SMD/2022/0179 at , I emailed to advise the application is on a D classified road and therefore the applicant should apply to our Network Management Team.

I hope this is ok with you, but any issues just let me know, always happy to help.

TTFN

Tracey
