YOUR COMMENTS ON THE CASE

I object to this planning application because the building requested is on the skyline of a beautiful piece of country road, that many people use for recreation, because of the magnificent views, for miles, towards Cannock Chase. There are no other buildings on this side of the road, for several miles & it would block the view & be an eyesore. The road is used by many people, walkers, horse riders, push bike riders & they stop to admire the view. The applicant does not live locally & owns plenty of land in various locations, which can be used for storage. The road is busy enough with agricultural traffic. There are several agricultural contractors within the village of Hollington & the road cannot tolerate more ever expanding agricultural vehicles. There is storage available at Broadgate Hall, which is set back from the road & has been used as a farm for years.
