Details of the pre-application advice received

This was a telephone conversation with the planning officer who was working from home. Conversation was scheduled for 3.00pm on the 8th December 2021.

Prior to the conversation I forwarded site and location plans, together with floor plans of the property showing the work I wished to carry out.

The planning officer informed me that there should not be a problem with an application. It is an older estate where the houses are spaced apart at a greater distance than on modern estates. The closest house is slightly elevated (the estate is on a hill), the extension I plan has no windows on the side facing the nearest neighbour, and at the back the first storey windows that face the neighbouring property at the rear are for bathrooms with obscure glass. The footprint of the house will not change significantly and when finished it will not look out of place. The footprint of the house would remain virtually unchanged, and the proposed work would not affect neighbours.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
