**Planning Application for a Residential Development at Industrial Agricultural Engineering Brookhouse Way
Cheadle (SMD/2022/0244)**

In response to the above planning application, the School Organisation Team has the following comments:

The development is not scheduled to provide any dwellings.

Including accounting for any demolitions, the threshold for calculating education contributions on residential developments is 10 or more dwellings unless their co-location with other sites requires examination of the cumulative impact. Therefore, no education contribution is requested for this application as stated in our current policy. If you have any queries, please contact me by e-mail at the address given below.

School Organisation Team
