Comments: This is a lovely house, that my son and Daughter-in-law have worked so hard to restore it , as being empty for a long time it had gone down bank. Unfortunately the sun room had real problems. that they had no option but to demolish . Yes it is taking time to get the house done , due to many things, Money , Covid . This sun room will make a wonderful room. There is a fence between the property that is owned by Your Housing , that they erected on their own property to give their neighbours and themselves privacy.
