Submission: Objection

Comments: Hi there this is rais akhtar speaking i am the owner of Biddulph Kebab house this business has been established for over 20 years. And without doubt im sure we wont be able to survive with yet another takeaway/restaurant planning to open in this small nit community we have just about pulled ourselves through this pandemic. Biddulph is a very small town and has a very small community which we are apart of. Businesses like us in Biddulph will struggle and will have to close shop and lay of employees which are a community face and have been working along side us for decades i really dont want that to happen so please accept my objection so we can serve the Biddulph community for the foreseeable future many years ahead so please again accept my objection thank you very much!
