Comments: I object of this planning application due to Biddulph being a very small village and already having too many fast food businesses and kebab houses also other businesses are struggling to stay afloat due to recession and crisis this is also making the citizens spend there money unnecessarily in a period of inflation. There is a lot of businesses that are already in this small village and citizens and other business owners will start vandalizing each other's businesses in order to do better themselves this will mean that disputes will occur publicly and privately over them having the same occupation.
