Dear Andrew,

Re Rental Bungalows are required in Kingsley

We are the letting agent based in Cheadle, Staffordshire who have very recently let four newly built bungalows in Calvin Court, Kingsley, Staffordshire. They are built to an extremely high standard and also accommodate wheelchair users.

We had a very high demand for the bungalows and we filled all of the bungalows very quickly one of which was a wheelchair user.

There is a clear demand for bungalows in within the Kingsley area.

Please do not hesitate to contact us.

Yours sincerely,

Deborah Coates
