Subject: Bungalows - Kingsley Holt

To whom it may concern,

I am aware that there is a proposed conversion of a bungalow situated in Kingsley Holt, to create 3 bungalows from this dwelling. There has been a suggestion however of refusal of planning permission, with one reason being that bungalows are not sought after.

As a lady who is a permanent wheelchair user, also with a very young son - I would suggest to the contrary. I have just moved in to a new build detached bungalow in Kingsley, having searched for well over 7 years to find a bungalow such as this, especially one which is accessible. This bungalow is one of only 4 to have been built and one which, due to the very evident lack of bungalows in all areas to be (fully) accessible, is an incredibly rare find. From my point of view as someone with mobility restrictions, there will always be the need for bungalows in any area, as it is not just those of an older age group who require/prefer them.

I hope that my viewpoint may be considered prior to refusing planning permission.

Yours Sincerely,
Miss H Mace
