

KESTREL
ALUMINIUM SYSTEMS

Technical Specification

Ground Floor Treatment and Commercial Doors

A comprehensive Ground Floor Treatment system for application in high traffic buildings such as schools, leisure facilities, retail units and offices.

The modern design, clean lines, ease of fabrication and installation and range of glazing options make this system a popular choice where wide glazing spans are required.

Door Configurations

- Pivot
- Slide
- Automated
- Rebated
- Single door: open in or open out
- Double door: open in or open out

A comprehensive range of profiles and accessories are available to enable these to be achieved.

Design Options

- Single colour powder coated
- Single or double glazed options
- Economy profiles

Design Standards

- BS EN 12020-2:2016
- BS 3987:1991
- BS EN 12206-1:2004
- BS EN 14351-1:2006+A2:2016
