Submission: Objection

Comments: I am concerned about the lack of information sent to owners of near by property like myself and the planning kept very quiet as residential owners near to the site we only found out after the closing date, the plans show 3 staff parking spaces and if this is to be a KFC they will need more staff parking which may result in staff blocking my street with cars when I already struggle to park due to retail shops in the town having no parking for staff so they block my parking on my street, I also have concerns about the opening times and litter also noise at night.
