Comments: Dear Sir/Madam,

I don't have a problem with the development of affordable housing, I would ask for the hedge row running along the side of Hammersley Hayes Road to be kept in as it is always full of wildlife and is a good barrier for noise pollution. Before the public house was demolished there were bats and birds nesting in there so leaving the hedge row in will house the remaining and existing birds. Unfortunately there was not a habitat put in place for the bats before the public house got demolished forcing the bats away.

Many Thanks
