Hello Lisa,

Condition 6 CEMP - advise discharge subject to details of contractor being supplied and all mitigation proposed being available prior to commencement of site clearance and building works.

Condition 10 Sound insulation - advise discharge subject to mitigation set out being installed into final construction.

Condition 9 Lighting - It's not our condition but 3 x patio lights and 1 x side/garage light at 60 w. I'm assuming they will be approx. 2m high. They do not appear likely to adversely impact amenity.

Thanks

Denis
