Submission: Objection

Comments: No, No and No. Not only have we got the prospect of well over a hundred houses being built in the area we now have this?!! As stated in comments with regards the houses and the possible change to the road layout for the houses this proposal will add even more traffic and a lot more noise. What does somebody have to do to live in a quiet area these days... buy a desert island??! Morning and night this stretch of road (Cresswell Lane and Sandon Road) is already far too busy, noisy and dangerous. Tractors, speeding motorists and Heavy goods vehicles....and now bloody aircraft coming and going! NO. Resurface Cresswell Lane, add traffic calming. Full stop.
