---

Dear sir/madam

I wish to raise my objections to the above proposed development.

As you will know the road on which access will be needed for this development is the very busy main access road in and out of the village. It has seen several crashes so far this year, & is also used as the diversion for when the A50 to Uttoxeter is closed. It is used at all times of the day, by both cars and large lorries. Adding a new access road onto it will cause more traffic & more opportunities for accidents on the already busy road. These houses will also put more demand onto the already limited amenities in the village. The schools, water & sewage, & the GPs surgery that is already near impossible to get a appointment at.

I hope that you will take my concerns into account when reviewing your planning permission.

Yours

Ian Hodgkinson  
27 furlong drive, Tean
