Submission: Objection

Comments: Beechcroft, Draycott Road

Tean

Totmonslow is quoted as been an hamlet that already has one solar panel farm that is secluded, to have another that would be in view to all would be a blot on the landscape, again no consideration for the local wild-life that once again is been pushed out of its ever decreasing habitat, the Moorlands is been ruined with such developments, councils should be looking to protect such places not let people destroy them for personal gain.

Regards

Michael Johnson, local resident
