Submission: Not Object

Comments: The planning application states that the applicant needs one additional parking space. However the family have more than 3 vehicles at the property, including a large van and a 4x4 vehicle both of which will be too big to park in the new space. The applicant does not currently use the rear parking spaces on Boardmans Bank. I have no objection to the application but do not think that this will stop the applicants from parking in front of an adjacent property Sunnybank. Church Road in this vicinity is narrow and is used by farm vehicles, buses and school traffic. If permission is granted then I hope that this will prevent the applicant from parking outside Sunnybank.
