Submission: Support

Comments: It is important for the area that Mcdonalds is allowed to build in the proposed location. It is out of town, it will reduce anti social behaviour possibilities, it opens up more scope to develop the Churnet Works areas for businesses as a whole, and provides a much needed alternative for people to eat at. Not to mention, increased employment, business rate income, and changing an unattractive parcel of scrubland into something useful. No negatives whatsoever to this application.
