Comments: Planning application SMD/2022/0210

I often frequent the White Hart community pub and am impressed by their commitment to community involvement. I think that the idea of developing a craft brewery in the buildings behind the pub is a fantastic idea and a great opportunity to improve the strength of the business in Alton. I am all in favour of developing new business premises in Alton. I once intended to start up a cycle repair business in Alton but there was simply no suitable premises so had to relocate to Uttoxeter.
