Comments: I support the application for a McDonalds restaurant at the Churnet works site. The land parcel proposed for development has been disused for some time now, so it would be good to finally get the space utilized. The proposed location seems good, seeing as the area is already used for retail. Plus, as it's located off the main road, it shouldn't have too much of an impact on traffic flow on the A523. I for one, think that this proposal would be a great addition to our town!
