Comments: having a fast food restaurant will bring with it anti social behaviour, alot more noise and traffic it is horrendous as it is getting out of Kiln lane we will also have more litter, the River Churnet is next to the site and litter will be polluting the water. Also we have so many local food restaurants and cafes having a McDonald's will put a big strain on these local companies they have had a hard couple of years as it is without having more pressure, we will see more nice local cafes/restaurants shutting down leaving boarded up empty premises. I do object against this being on my doorstep.
